Sunday Service 10:30 AM

Who are we? Millarville Community Church is a fellowship of local Christians who come from many walks of life, finding a common faith in Jesus Christ. Our non-denominational structure allows for a freedom of expression and style. It is our desire to direct people to the Lord Jesus Christ, the source of all life, hope and true transformation.

Foundations

As we work our way through Colossians, Paul is making his case for Christ alone. He is urging and warning the church to hold fast to all they have received in Christ. Jesus is our true foundation for life and ministry.

The world's focus has been on Haiti, watching as survivors continue to be pulled from the rubble. Generosity has overflowed to one of the poorest western nations and in the mix is the Church, operating through Christian relief and development teams and volunteers. Here is a chance to rebuild on good foundations - buildings up to earthquake codes but also a nation on Christ; righteous government, education, employment, peace, security.

Locally an opportunity to influence children and families through a Daycare ministry has emerged. Again to see foundations that will enable them to journey through life; godly self esteem, knowledge and understanding, healthy relationships, strengthened and whole families...

May we hold all of these situations along with our own needs in prayer, following Paul's example that we all may be filled with the knowledge of His will through all spiritual wisdom and understanding, *Col 1:9*. From there we can confidently minister Christ to those around us, both locally and internationally.

blessings,
Allan Burney

This Church is a worshipping community, enabled by the Holy Spirit, dedicated to Christ's Commission to point people to the Father; to build them up in faith and life, then equip and encourage them to serve.
Matt 28:18-20
